> "Where is Goku?" says Piccolo. "He should be here by now."

> "I-I hope we don't have to take on this big guys on our own!" said a trembling Kryllin. He straightened up. "But we have to stay strong and concentrate until Goku gets here."
 "Yeah! When my dad gets here, he'll take care of those two!" said Gohan, looking toward the prince of the Sayans, Vegeta, and Nappa, a huge Sayan with strong, burly arms, and muscles on ever part of his body.

>
 "What do you think they're talking about?" asked Nappa of Vegeta. "I say we go over there and find out!!" Nappa flexed his muscle, his power level at an all time high, much to the dismay of Kryllin and Gohan.

> "Just wait. Said Vegeta. "We've given them 3 hours for them to wait for their precious Goku - or should I say Kakarot. They have 17 minutes left. Then, after their 3 hours are up, we'll teach them a leeson they'll never forget! That'll show them not to interupt in our plans again! Ha ha ha!!"

>
 Meanwhile, Goku and his 2nd son, Goten, were on planet Namek, searching for the 7 dragonballs.

> "Have you found anything yet?" Goten telepathically transmitted to his father, all the way on the other side of Namek.
 "No, son, not yet. Remind me, how many dragonballs have you found?"

> "3... AAHHHHH!!"
 "Goten! GOTEN! What happening?"

> "Uh, Dad, we have a problem here." Goku hears whispering in the background.
 I've got to concentrate, Goku thinks to himself. If I concentrate, I'll hear what's happening and who's in the backround.

> Goku drops his 3 dragonballs on his Nimbus cloud. Don't send me messages outloud, Goten. Think them to me. Most of all, stay calm and focus.
 Yes, father, Goten thinks to Goku. Stay calm and focus. Stay calm and focus....

> "So, Goten," Freeza says smugly. "We meet again."
 "H-h-hello F-f-freeza. How are you?"

> "Cut the crap, Goten. I am here to do to you what I should have done a long time ago. When you, your stupid father, and Goten destroyed me 1 year ago -- by a stroke of luck, might I add--"

Freeza's smugness was really starting to get to Goten, "A stupid shimp of a doctor put me together. I was more powerful than ever! I had learned from my mistakes. I killed the doctor, in the most painless way I could, by pulling out his limbs, one by one. Since then, I have been training.. building up my power, waiting for this moment, when I can, once and for all, finally kill you and your meddlesome relatives, and take over the universe!!"
 "What do you intend to do now?" asked an angry Goten.

> "Well, I intend to kick your ass, of course!"
 Arrgg, he's making me so mad, thought Goten.

> Please stay calm, Goten. Don't let your anger get the best of you, Goku thought to Goten.
 I'll try my best, Goten thought.

> Just stall till I can get there, ok Goten?
 Yes, father.
